

COMPANY PROFILE

ESTABLISHED

1912 in Celle, Germany

EMPLOYEES

140 in production, 60 in development/administration

PORTFOLIO

KOLLER has specialised expertise in the design and fabrication of Pressure Producing Installations, Special Machines, Structural Steelwork and Well Servicing Products often with approvals of independent classification societies such as German Lloyd, DNV, etc.

The solutions and systems we provide are tailor-made to suit our client's needs and based on the newest technology available.

Our engineers and designers secure a qualified realisation of the customer needs and our professionals take care to meet the high demands and extreme safety requirements. Our business philosophy is based on the following values: open-minded, being trustworthy and building long-term relationships.

MANAGEMENT

Dipl.-Ing.
