2011[®]

Offshore Europe

Oil and Gas Conference
and Exhibition

6 - 8 September 2011 | Aberdeen | UK

Organised by:

Patron:

Securing Safe, Smart, Sustainable Supply

6th–8th September 2011
Aberdeen Exhibition and
Conference Centre, UK

SPE Offshore Europe conference and exhibition attracts a global audience of engineers, technical specialists, industry leaders and experts to share ideas and debate the issues of the moment in the upstream industry.

It is a multi-faceted event that reflects the E&P community's desire for continuous learning, showcasing the innovation, solutions and tools required to compete in an accelerating technology race in an increasingly complex business.

- Achieve thought leadership status against your competition
- Fast-forward to key business challenges
- Learn from other companies' experiences and broaden the horizons of your organisation
- Promote faster innovation in your organisation
- Gain insight on how to promote and develop training in your organisation

1500+ Suppliers

100+ Technical Presentations

4 Training Courses

3 Topical Lunches

Plenary & 5 Panel Sessions

3 Breakfast Briefings

The Deep Water Zone

The People Zone

Over 1500 suppliers* of the latest technology and service developments covering every discipline will exhibit at SPE Offshore Europe including:

- Over **400** suppliers of **Drilling and Completions** products and solutions
- Over **400** suppliers of **Facilities and Construction** products and solutions
- Over **250** suppliers of **Health/Safety and Environment (HSE)** products and solutions
- Over **250** suppliers of **Management and Information** products and solutions
- Over **150** suppliers of **Personnel/Training and Education** products and solutions
- Over **500** suppliers of **Production and Operations** products and solutions
- Over **100** suppliers of **Reservoir Description and Dynamics** products and solutions

* The above figures include suppliers of multiple services

These solutions will come from an international base of suppliers with pavilions from countries and regions including:

- Austria
- Brasil
- Canada
- China
- Denmark
- Faroe Islands
- Finland
- Flanders/Belgium
- France
- Germany
- Greenland
- Italy
- Malaysia
- The Netherlands
- Nigeria
- Norway
- Scotland
- Spain
- United Kingdom
- United States of America
- Western Australia & Northern Territory

SPE Offshore Europe 2011 will host two dedicated Zones that will address specific areas of interest to the upstream E&P community:

The Deep Water Zone

The Deep Water Zone is a brand new area showcasing the latest technologies and services enabling the upstream sector to advance into the world's most challenging environments.

The Zone features significant industry project presentations, related exhibits and learning from Brasil and Europe and key industry associations.

To find out more about the Deep Water Zone, visit: www.offshore-europe.co.uk/deepwater

Supporters of the Deep Water Zone:

The People Zone

The People Zone offers the opportunity to see the latest 'non technology' services which enhance the skills and development of industry professionals. The Zone features recruitment, professional development, training courses, travel, translation, legal, relocation, healthcare and finance amongst others.

To find out more about the People Zone, visit www.offshore-europe.co.uk/people

FREE to Attend Conference

Chairman: **Samir Brikho**,
Conference Chairman 2011,
Chief Executive of AMEC Plc

The overall theme of the 2011 Conference is 'Securing Safe, Smart, Sustainable Supply.'

Samir Brikho, Chief Executive of AMEC Plc is the Conference Chairman and will chair the Plenary Session 'Managing Complexity'. He will be joined by some of the biggest minds in the industry who will provide insight to the SPE Offshore Europe 2011 Conference.

The SPE technical conference - featuring over 100 papers - is FREE to attend for all visitors. Panel sessions addressed by industry leaders and influencers will address key topics to the E&P industry.

Executive Committee:

- **Alan Grant**, Chairman, Reed Exhibitions Energy & Marine Group
- **Albert Rodger**, Chief Executive, National Subsea Research Institute
- **Alistair Birnie**, Former-Chief Executive, Subsea UK
- **Brian Taylor**, Chief Operating Officer, KCA Deutag
- **Chris Finlayson**, Executive Vice President & Managing Director, Europe & Central Asia, BG Group
- **Ivar Iversen**, Business Development Director, Prospect/Hallin
- **Jim House**, Regional Vice President & Managing Director, Apache North Sea Ltd
- **John Martin**, Managing Director, Global Energy, Standard Chartered
- **Malcolm Webb**, Chief Executive, Oil & Gas UK

The SPE Offshore Europe Topical Lunches and Business Breakfasts are an opportunity to join colleagues and peers to network and hear leading industry figures discuss specialist topics.

Market Opportunities Seminars will include Brasil, Nigeria, Angola, Ghana, Russia, Kazakhstan, North Africa, Middle East, Asia and Pacific.

UKTI will also host a number of overseas delegations with facilitated networking activity aimed at putting UK companies in contact with potential buyers and decision makers.

Visit:
www.offshore-europe.co.uk
for more information on how you can get involved.

Andrew Gould
CEO, Schlumberger

Peter Lacy
